

Amendment, Manager Shannon Jones

FY 2024 Budget Resolution

Resolved, that the Central Health Board of Managers provide financial support for the delivery of care and related support for low-income persons within the Black Mens' Health Clinic. These funds will be provided in the services agreement with CommunityUnity Care, not to exceed \$500,000, to support expansion of clinical capacity, related outreach, and resources to include dedicated clinicians and support staff to offer services Monday thru Friday and extended evening, walk-up, or weekend hours to the greatest extent possible, with identified performance measures approved by Central Health and CommUnity Care.
